The Association of Registered Interior Designers of Ontario (ARIDO) announced the winners of its 24th annual ARIDO Awards of Excellence on September 25th at the Direct Energy Centre, as the feature event of IIDEX/NeoCon Canada.

ARIDO's award program honours innovation, creativity and professional achievement in the province's interior design industry. Judges of this year's entries recognized 23 designs from 11 separate categories. Among the winning entries were six Awards of Excellence and 17 Awards of Merit.

Over 25 years, we have evolved our viewpoint  
about design to create extraordinary  
moments and opportunities for people to have  
experiences that change their understanding  
and perspective of the world they live in.
